

Keep Your Customers Safe and Make More Money!

The average technician is dispatched to service 3 dryers per week that there is nothing mechanically wrong with, but instead have a vent related problem. Most technicians do not have the time or interest to correct the vent problem, and rely on the customer to get the problem resolved elsewhere. Restricted dryer vents are the cause of over 15,000 fires every year so it is critical that this issue not go unresolved.

Brand Source Service and Brand Source members can protect their customers and make more money by referring these customers to Dryer Vent Wizard! Dryer Vent Wizard is a national franchise with locations in virtually every major market that specializes in dryer vent cleaning, repair, alteration and installation. Brand Source Service and Brand Source members will be paid fees based on the schedule below for these referrals:
